Old Business:

Minutes from November meeting were not available.

New Business:

It was suggested to the Planning Commission by Korene that because of the poor economy, and little to no activity for the Planning Commission, that we hold no further meetings at this time. Dan pointed out that we are required to have at least a minimum of four meetings per year.

Motion by Phyllis, second by Paul, to change our 2010 meeting schedule to 5 meetings – January, March, May, September, November. Passed unanimously.

Publication of our meeting schedule is needed.

It was noted that Mark has not attended a meeting since May, which leaves us with no representation on the board.

Next scheduled meeting is the first Wednesday of January, 2010.

Meeting adjourned at 7:30PM.

Bruce Reed, Secretary
