Scrap Tire Collection for Fall 2015!

Scrap tires create several issues. They are an environmental concern, a troublesome breeding ground for mosquito larvae and an eyesore. **Midland County Mosquito Control** and **Midland Recyclers** have joined together to help Midland County residents properly dispose of tires.

1. **You must have an appointment** to drop off tires. Call **(989) 631-1668** and be prepared to give the following information: Name, address and the number of tires you wish to bring. Twenty (20) tires (size 16.5" and smaller) without rims will be free for those individuals who make an appointment.
2. Those without an appointment will pay per tire. Tires will be taken only if there is room and individuals will have to wait for an open time in the schedule to unload.
3. **Tires being accepted are:** Passenger car (16.5 and smaller) are \$1 without rims and \$3 with rims (first 20 without rims will be accepted free of charge - see #1 above).

If you cannot attend for a small fee tires can be taken year-round:
